

CREATE your own crazy pictures with Terry's smoke signals

In *The 91-Storey Treehouse* Terry gets creative with smoke signals when he, Andy & Jill are stranded on the desert-island level.

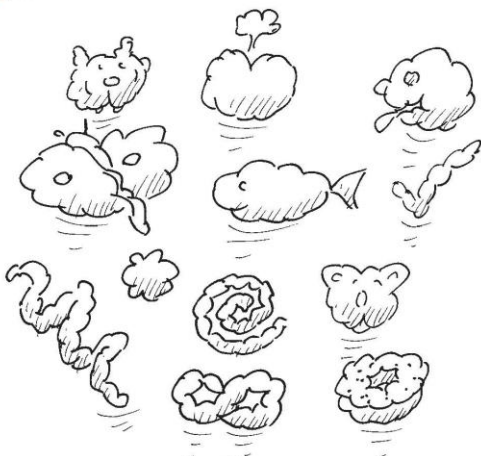

Now it's your turn

Draw your own smoke signals. Try your hand at Terry's suggestions below, or come up with your own wild and whacky creations...

SMOKE SIGNAL TIME

Drawing pictures in smoke is fun.

But don't just take my word for it. You try some. You can draw whatever you like, or you could follow the suggestions.

Butterflies are nice. Hint, hint.

Draw a spider.

Draw a bird.

Draw a cat.

And a horse as well.

Draw us!
